Awards:
Received recognition for innovative R&D work at ConcentricLife, leading to client acquisition. Eagle Scout - Boy Scouts of America (Troop 21).

Experience:

Accenture Song/ConcentricLife, New York, NY
Senior Developer (2020 - 2024)
Led R&D projects and development initiatives, focusing on email and banner development, Veeva presentations, and website programming. I leveraged technologies like JavaScript, WordPress, Veeva, Salesforce, and various front-end frameworks such as React.js/Next.js, Vue/Nuxt, and Bootstrap to drive innovation and scalability. In addition, I mentored junior developers, coordinated cross-functional teams, and ensured code quality through GitHub. My contributions were recognized with rewards and acclaim for innovative R&D work that directly contributed to client acquisition.
